What is *Living the Eucharist*?

Living the Eucharist is a dynamic and beloved parish-based Lenten renewal program. It reignites faith, builds community, and empowers Catholics to live and share the Gospel through life-giving encounters with Christ.

Since 2012, more than 1,100 parishes in 93 dioceses have participated in and benefitted from this ministry. Chances are, parishes in your diocese are already experiencing its transformative power.

How does *Living the Eucharist* benefit dioceses?

By focusing participating parishes simultaneously on learning about and loving the Eucharist, **Living the Eucharist**:

1. Builds and empowers an inspired community of missionary disciples.
2. Provides a forum for episcopal teaching about the Eucharist.
3. Creates and unites faith communities across cultures, languages, parishes, and the entire diocese.
4. Generates some of the highest reported participation rates for parish renewal programs.
5. Enables diocesan liturgical, evangelization, and Hispanic ministries to resource parishes.
6. Promotes fuller, more conscious and active participation in Sunday Mass and parish life.
7. Enables dioceses to offer free program resources to financially-challenged parishes.
8. Acts as a powerful force for spreading the faith—among both inactive Catholics and those without a church home.

Why Living the Eucharist?

Living the Eucharist was created by Paulist Evangelization Ministries (PEM) in direct response to pastors' requests for a practical, meaningful way to help parishioners live more fully as disciples of Jesus. It is inspired by Pope Benedict XVI's apostolic exhortation on the Eucharist as "the source and summit" of the Church's life and mission, and Pope Francis' invitation to Catholics to spread "the joy of the gospel."

More than 100 experts worked for more than two years to develop, test, and review the program. In addition, five years' of participant feedback prove that **Living the Eucharist** can be implemented in any diocese or archdiocese with absolute confidence in the outcomes.

Why Now?

- 1. Living the Eucharist works**—in both dioceses and parishes! The statistics prove it.
- 2. Parishioners love this program!**
- 3. Dioceses love this program too!** Diocesan leaders see **Living the Eucharist** as a dynamic way to achieve their pastoral goals, form missionary disciples, and invite those with no church family.
